Tooele County, Utah

On April 2, 1992, the Division received Morton International, Inc.'s response for the Grantsville facilities. Due to a backlog of other permit reviews, the Division will not be able to complete a review of your response within the usual 30-day timeframe. Please accept our apology for the delay and any inconvenience this may cause you.

We hope to complete our review of your application within the next 30-45 days. We appreciate your patience and understanding in this regard. Please contact me if you have questions or concerns with this proposed review schedule.

Sincerely,

Anthony A. Gallegos
